F) REHABILITATION COUNCIL OF INDIA PROGRAMME

THE NEED FOR SPECIAL EDUCATORS/PROFESSIONALS IN THE FIELD OF DISABILITY REHABILITATION AND SPECIAL EDUCATION.

The Government of India's flagship programme Sarva Shiksha Abhiyan (SSA), which is the core of Right to Education Act, lays special emphasis on providing education to 'children with special needs'. SSA has been harmonized with the RTE Act. A landmark judgment by the Hon'ble Delhi High Court has resulted in increased demand for trained special teachers to be appointed two in each school of NCT of Delhi. Similar demand is expected to be created in other States and UTs with National Council for Teacher Education (NCTE) granting approval to B.Ed. (SE) and D.Ed. (SE) qualifications for appointment of elementary teachers in general schools. Chances of securing a job in Govt. departments, medical and paramedical services, NGOs, in public as well as private sectors are bright.

College of Special Education

I) REGULAR MODE COURSES:

1) Diploma in Education – Special Education – Deaf & Hard of Hearing [D.Ed. SE (DHH)]:

Diploma in Special Education is the first Man Power Development programme started in 1999 at Ayodhya Charitable Trust Pune. Rehabilitation Council of India (RCI) has recognized and approved our institute to run the D.Ed. (DHH), 2 years full time course with 4 semester pattern. Examination for this course is conducted by Ali Yavar Jung National Institute of Hearing Handicapped, Mumbai.

Intake capacity : 25 candidates per year.

Admission procedure : Direct Admission - on submission of prescribed application form given by R.C.I. Admission procedure starts from May.

Eligibility criteria : 10 + 2 or its equivalent examination passed with minimum 50% Marks and 45% marks for SC, ST.

Duration of the course : The duration of the course is two academic years.

Special features of the course are :

I) Theory Course : Generally Lecture-cum demonstration method & Project method is used to complete the theory course successfully with effective use of audio-visual aids i.e. OHP, LCD projector, C.D. player etc. We also arrange various subject experts as for Guest Lectures.

The D.Ed. (DHH) is a course consists of 12 theory papers to be completed in 2 years as per the following scheme.

1st year

- i. Sem I : 4 Papers
- ii. Sem II : 2 Papers

2nd year

- iii. Sem III : 4 Papers
- iv. Sem IV : 2 Papers

II) Practical course:

Students got practical exposure of –

- ❖ Classroom observations & lesson Demonstration
- ❖ Practice teaching in Special (H.I.) school & Inclusive schools
- ❖ Full time teaching Practice in Special (H.I.) school
- ❖ Visit to Rehabilitation Institutes: In practical course, students are provided complete exposure to the various disabilities related problems through visit to various rehabilitation schools & institutes
- ❖ Individualized teaching lesson (IEP)
- ❖ Community Based Rehabilitation (CBR) Programmes
- ❖ Text Adaptation
- ❖ Aural and Speech Rehabilitation
- ❖ Psychology Practical: Various Psychological tests such as DAM, SPM, DST, VSMS, were observed and conducted by the trainees. Case studies of DHH children's were also completed by trainees. Practical on Guidance and counseling was completed.
- ❖ Skill development in sign language and signe system.

III) Extra-curricular/ Co-curricular activities during academic year 2014-15 :

The students of D.Ed. (DHH) have organized and actively participated in different activities throughout the year. Such as :

- 1) Krishna Janmastami/ **Gopal Kala** was celebrated on 17th Aug 2014
- 2) Students celebrated **Ganpati festival** thoroughly in the institute
- 3) **Teacher's Day** was celebrated on 5th September 2014
- 4) On 28th September 2014 students have participated in Awareness rally of **International Deaf Day**
- 5) Gandhi Jayanti was celebrated on 2nd October 2014
- 6) On 3rd December 2014 **International World Disabled Day** the students have participated in awareness rally and organized games and other activities for children with hearing impairment
- 7) Health and awareness activities: Institute had arranged various health and awareness activities & camps, National Pulse Polio Immunization campaign, Free Disability Detection Camp etc. . Students were actively participated in all activities.

IV) Cultural activity : The College has organized Annual Social Gathering (songs & dance) on 27th February 2015. All the students of D.Ed. (DHH) have participated in the indoor and outdoor game activities and Cultural Programme.

V) Assessment and Evaluation System : Ongoing internal assessment was carried out throughout the year conducting class tests, assignments, internal theory & Practical examinations. Semester wise final theory and practical examinations were conducted by AYJNIHH, Mumbai. Students were given guidelines for the final theory and practical examination. In academic year 2014-15 final & supplementary theory and practical examination for Sem I, II, III, & IV was held in August 2014 and later on for Sem I, III & Supplementary examination of Sem I, II, III, & IV will be held in April 2015.

II) Diploma in Hearing Language & Speech (D.H.L.S.) :

Rehabilitation Council of India recognized the Diploma in Hearing, Language & Speech to our institute in academic year 2002-2003. It is recognized by R.C.I. New Delhi & A.Y.J.N.I.H.H., Mumbai. This is one year practical oriented programme, for seeking admission in DHLS required 12th Science P.C.B., P.C.M. admission procedure starts every year in the month of May / June.

Rehabilitation Council of India change the curriculum in year 2009-10. There are 6 theory papers and 4 practical papers; they have 60% of practical work. The assessment of students is done during the tenure in terms of pre-mid term exam, mid-term exam, class test, post mid term and the end there will be final theory examination conducted by A.Y.J.N.I.H.H. Mumbai. They have to attend final Speech and Audiology Oral Viva. The successful candidates who pass in theory and practical examination will be awarded the degree by Rehabilitation Council of India (RCI) and they can work as a Speech and Hearing technician or Assistant Speech Therapist in different set-up like Govt. Set up, semi-govt. set up, private set up, they are in too much of demand in society.

As there were no students for DHLS course it is been declared as ZERO year,

G) RESIDENTIAL SCHOOL FOR DEAF AND RESEARCH CENTRE – 2014-15

Ayodhya Charitable trust started project for Residential School for Deaf and Research Centre during academic year 2000-2001.

The project has been started for the Educational Rehabilitation of Hearing Impaired children.

The school has started in July 2000 with 5 Hearing Impaired students, today we have 83 H.I. children took benefit of school.

The Government of Maharashtra has given Grant-in-Aid in 2004 for 40 children and remaining were on Non-grantable i.e.

Grant-in-Aid : 40 children

Non grant in Aid : 30 children

Addition : 13 children

Total	<u>83 children</u>
-------	--------------------

STUDENTS CLASSWISE :

Sr.No	Class	Girls	Boys	Total
1	Pre Primary 1st	5	4	9
2	Pre Primary 3rd	3	6	9
3	Pre Primary 4th	4	3	7
4	Std 1st	4	3	7
5	Std 2nd	2	6	8
6	Std 3rd	2	7	9
7	Std 4th	7	2	9
8	Std 5th	6	3	9
9	Std 6th	3	5	8
10	Std 7th	3	5	8
	Total students	39	44	83

ACADEMIC ACTIVITIES :

The Special School was started with 5 students in beginning and today we have 83 Deaf students from different places from Maharashtra.

We provide them Free Education, Food, Shelter and Clothes and provide them individual Hearing Aids along with Ear Mould & Chargeable Solar Batteries. All students are using B.T.E. Hearing Aids.

No. of classroom available	:	12
No. of Teaching staff	:	11
Non- teaching staff	:	15

Total staff		26

Assessment of Hearing Loss :

All students assess by our Chief E.N.T. surgeon and Audiologist and Speech Therapist. After having their recommendation, we admit the students in school. All students were also assessed by Medical Superintendent - Sassoon General Hospital - Pune and Civil Surgeon Aundh Hospital Pune and they issued the Disability Certificate.

Aids & Appliances :

After the assessment of Hearing loss and recommendation by Audiologist we provide them individual Behind the Ear (B.T.E.) Hearing Aids to all the students according to their Hearing loss. We provide them Binaural Hearing Aids to all students except 2 to 3 students. All Hearing Aids is received from Serva Shiksha Abhiyan - Starky Foundation and our Parent organization.

Equipments:

A) BERA, Impedance Audiometers :

B) **Group Hearing Aids** : We have purchased 3 Group Hearing Aids system of 8 students for improvement of the Hearing capacity of student. We have 4 Group Hearing Aids at our school during 2014-15.

C) **Loop Induction System** : We have made arrangement of Loop Induction System in one class. This is new thing institution started as a Research part and for std I class.

D) **Computerized Speech Therapy Programme** : British High Council has donated Computerized Speech Therapy Programme i.e. "Dr. Speech". With the help of Dr. Speech our Speech Therapist develops the speech & language. We have developed various Software in Marathi language for improvement of language of each deaf child. Each Deaf student undergoes the training of Dr. Speech simultaneously. With the results we had develop the Speech of language of children

E) **Speech Trainer** : Institution has 7 Speech Trainer with mirror to improve the language of deaf student. The Special Teacher teaches each student with the help of Speech Trainer in front of mirror. We have given 5 speech trainers in all pre-primary class rooms.

F) **Sound Proof Room** : Institution prepared/designed ideal two room set-up Sound Proof Room. We have applied the latest technology while preparing the room. This is a unique room prepared for the correct assessment of Hearing Loss. We have inserted/fitted talk back system in Sound Proof Room.

G) **Audiometers** : Institution has 5 Audiometer for Assessment of hearing loss. We perform 14 types of various tests on the Audiometers and another has a Portable Audiometer, Screening audiometer, infantile audiometer etc.

H) **Speech Therapy Rooms** : Institution has 6 Speech Therapy rooms. In this room individual speech training is given to develop their speech.

I) **Sound Level Meters** : Institution has three Sound Level Meters for Assessment of Noise level in various places. We have Portable (Hand) Sound level Meter, Octave Band Analyzers Sound Level Meter and 2231 Computerized Sound Level Meter which will continuously collected data on 31 hours.

J) **Ear Mould Lab** : Institution started Ear Mould Lab with all equipments and all accessories. All type of ear mould prepared in our School for better communication between two persons. We prepared Pocket Model, BTE & ITC Ear Mould.

K) **Hearing Aid repairing room** : Institution has four sets of Hearing Aids repair and servicing with qualified technician. Institution has 10-Beded well- equipped hospitals in premises of institution. E.N.T Depart. is one of major department in hospital which give the services to the Hearing Impaired population.

L) **B.T.E. Hearing Aid** : All students are given B.T.E. Hearing Aid by Sarva Shiksha Abhiyan, Starky Foundation and our Parent organization.

M) **Teaching Learning Material** : We have developed & purchased the teaching learning material for the school, which develops the language of deaf child. T.L.M. is very important task in Educational Programme of the Hearing Impaired School.

N) **E-learning Programme** : All students are taught by e-learning programme methods which is easier for of Hearing Impaired children.

O) **Sport Equipment** : We have purchased the sport equipments for the development of physical aspects of the deaf children.

P) **Computer Room** : Our school has a Computer Lab with 5 Computer along with Printer. Our Special Educators gives special inputs to learn Computer to Hearing impaired students.

SYLLABUS :

We have covered all syllabuse of school prepared by Government of Maharashtra for Payari 1 to Payari 4th and 1st to 7th standard. We adopt "Saman Abhyaskram" and according to these syllabuses we completed all portion within time span.

CULTURAL PROGRAMME :

Our students have actively participated in all cultural programme of the institution during the year 2014-15. We celebrated the following programme:

- 1) 15th August - Independence Day
- 2) 26-27 September – World Deaf Day
- 3) 3rd December - World Disabled Day
- 4) 26th January - Republic Day
- 5) 27th February - Annual Gathering Programme
- 6) 1st Maharashtra Day
- 7) Nagpanchami, Raksha Bandhan, Janmastami, Ganesh Festival, Bhondala Programme, Makar Sankranti etc.
